

RESOLUTE

OWNER:

Pat Dexter

ABOUT THE BOAT:

Oysta 30 motorsailer – custom design and construction by Sam Devlin of Devlin Boatworks, Port Townsend, Washington for Martyn Platt - 1986

WOOD:

Marine plywood with overlay of fiberglass and epoxy

ENGINE:

30 HP Yanmar

GREAT STORY:

The original owner kept Resolute at Eagle Harbour in West Vancouver. In 2007, the boat was listed for sale and then it was stolen by thieves who stripped her and slice the through-hulls in an attempt to sink the evidence. Because of her construction, Resolute would not sink and a photograph of her partly submerged is still used in ads for C-Tow.

TIDBIT:

After four years and \$40,000 of refitting, final cosmetic repairs are underway!
