COAST KICKER

OWNER:
Allen Phillips

ABOUT THE BOAT:
12' replica of a 1938 cedar plank row boat
(The replica got destroyed when a tree fell on the building where it was stored.)

DESIGN:
Hand built by Dryland Marine
Twin adjustable rowing stations for two people
Two watertight floatation tanks act as a side ballast

TIDBIT:

Built to be 100% unsinkable! Has a inner and outer layer of fibreglass with a 5/8" layer of floatation foam in between.
