

# BIANCA

## OWNER:

Maurizio Hublitz & Cecilia Rosell

## DESIGN:

1959 Chris Craft 32ft Express. Built in Holland, Michigan at the Chris Craft plant.

## ABOUT THE BOAT:

Cabin Cruiser, double-planked mahogany below the waterline and batten-seamed mahogany above the water line. Frames made out of white oak, deck made out of teak.

## RENOVATIONS:

No conversions have been made, she has been restored to be as original as possible.

## INTERESTING HISTORY:

Launched in Seattle in February 1959, she was a special ordered boat with Hemi 392 engines and a top speed of 33 MPH. She has had her engines replaced with OMC350 and will now do 27 knots. Now berths in a covered slip at the Vancouver Marina.

## TIDBIT:

In 1959 she was launched with Hemi 392 engines as the first owner wanted the fastest cruiser in Seattle. He was promised 33 MPH but Chris Craft had to retune engines and replace propellers to finally reach 33MPH (28 Knots).
